Tommy, a narcissist influencer, Miriam, a desperate mom, Elisabeth, a lucky girl, and Apolo, a depressed musician arrive at **Empyreum Hotel**, a haunted place that takes what they value the most.

To get it back, they must work there, doing all the hotel's chores floor by floor until they reach to the hotel's manager office, Beatriz.

Welcome to Empyreum brings **the best from party games** to a unique setting for the genre: **a very special Hotel where the craziest happens**.

STORY

FEATURES

Clean and **tidy** the different floors of the Empyreum Hotel!

Care for **alien babies**, scare **ghosts** away, fumigate **carnivorous plants** and feed jelly to **gummy bears**!

the cleaner the rooms will be,
and the happier the customers will be!

Face a **VIP Client** as a final boss at the end of each floor!
